Year 4 Planner

Created in partnership with

Year 4 progression: there has been very little change to the progression of units vs the first edition, but note that Area rather than Perimeter is now the Measure unit included in Term A. You can see the new progression of lessons within the units by looking at the progression file for Lower KS2.

Year 5 Planner

Created in partnership with

Year 5 progression: compared with the first edition, the units for the first half of Term A are familiar but the units for the second half of Term A have changed, now including two Fractions units, which would previously have fallen in Term B. The Fractions units and Multiplication & Division units are now interspersed (as there were some teachers/children who found the 3 consecutive Fractions units quite intense!). You can see the new progression of lessons within the units by looking at the progression file for Upper KS2.
