**We are aware that at this time of year, as the weather changes, there are a lot of children suffering with colds and headaches. To avoid these minor illnesses impacting your child's education and their attendance, we have Calpol in school which, with your permission, we can give to your child as required. If you consent to this, please pop to the office to sign the consent form. If your child is too unwell to stay in school at any point, we will call you and let you know.**

**A reminder that all children need to bring their reading books into school every day, along with their diary if they have been given one.**

**Children should complete homework on Doodle every week. Weekly certificates will be awarded for children who have achieved the most stars.**

**If you have any questions regarding the above events, please contact your child's class teacher via Class Dojo.**
